In re: **KUSF(FM), Glendale, OR**  
Facility ID No. 176394  
Silent since June 26, 2014  
  
Request for Extension of Special Temporary  
Authority to Remain Silent

Dear Mr. Leander:

This letter concerns the request you filed on December 17, 2014, on behalf of Common Frequency, Inc. ("CFI"), for extension of Special Temporary Authority ("STA") to permit FM Radio Station KUSF to remain silent.

Commission records reflect that CFI stated that Station KUSF(FM) went silent on June 26, 2014, pending assignment of its license. The previous STA was granted on August 27, 2014, and expired on February 23, 2015. CFI requests extension of its STA because additional time is need for the assignment of its license. The request includes the appropriate certification regarding Section 5301 of the Anti-Drug Abuse Act of 1988.

CFI's request is granted. Accordingly, Special Temporary Authority is granted to permit Station KUSF(FM) to remain silent until June 26, 2015. **Notwithstanding the grant of this Special Temporary Authority, the broadcast license for Station KUSF(FM) will automatically expire as a matter of law if broadcast operations do not resume by 12:01 a.m., June 27, 2015.**<sup>1</sup>

CFI is required to notify the Commission when broadcast operations resume.<sup>2</sup> If CFI does not file the notification of resumption of operations in a timely manner, the license may be subject to cancellation pursuant to Section 312(g) of the Communications Act, as amended.<sup>3</sup>

The station's silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for renewal of broadcast license. It is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower shall be maintained until removed.<sup>4</sup>

Sincerely,

*Lisa Scanlan, r/m*
